

Bar positions slope steps

(In principle, the bar can be positioned from any hole to any hole!)

Flat slope
Bar at the top
(View from the front)

Flat slope
Bar at the top
(View from the side)

Steep slope
Bar at the bottom
(View from the front)

Steep Slope
Bar at the bottom
(View from the side)

Strong lateral slope
sloping down to the left

Flat lateral slope
sloping down to the right
